

AFFIDAVIT IN SUPPORT OF APPLICATION

I, Special Agent Thomas J. Zukauskas, being duly sworn, depose and state that:

INTRODUCTION

1. I am a “federal law enforcement officer” within the meaning of Federal Rule of Criminal Procedure 41(a)(2)(C), that is, a government agent engaged in enforcing the criminal laws and duly authorized by the Attorney General to request an arrest warrant and search warrant. I am a Special Agent with the Federal Bureau of Investigation (FBI) and have been since May 2006. I am currently assigned to the FBI Boston Violent Crimes Task Force (VCTF), which is comprised of personnel of the FBI, Massachusetts State Police, and the Boston, Braintree, Malden, Saugus, Somerville and Dedham Police Departments. As a Special Agent with the VCTF, I have repeatedly responded to incidents involving violent encounters. I have also received specialized training regarding investigative techniques, evidence collection, and evidence preservation. My responsibilities include the investigation of possible violations of federal law, including investigation of violent crimes to include armed robberies. During my career, my investigations have included the use of various surveillance techniques and the execution of various search, seizure, and arrest warrants.

PURPOSE OF AFFIDAVIT

2. I am aware that Title 18, United States Code, Section 1951(a) makes it a crime to obstruct, delay, or affect commerce by forcefully taking or obtaining property by way of physical violence. I am further aware that Title 18, United States Code, Section 924(c) makes it a crime to use or carry a firearm during and in relation to a crime of violence.

3. Having so said, I make this affidavit in support of a criminal complaint charging TYKEI HALLMAN (“HALLMAN”), DOB XX/XX/1994, with the November 5, 2019 robbery of the Five Corners Market in Quincy Massachusetts. Although I believe probable cause exists to believe that Hallman committed all of the robberies described in paragraphs a-o below, at this time I am only seeking a criminal complaint to charge the November 5, 2019 robbery of the Five Corners Market in Quincy, Massachusetts, in violation of Title 18, United States Code, Section 1951(a) and Title 18, United States Code, Section 924(c). Furthermore, I make this affidavit in support of an application for a search warrant for 244 Garfield Avenue, Hyde Park, MA, further described in **ATTACHMENT A**, the primary residence of HALLMAN, for the items further described in **ATTACHMENT B**.

4. Based on the facts set forth in this affidavit, there is probable cause to believe that HALLMAN has violated 18 U.S.C. §§ 1951(a), affecting commerce by robbery, and 924(c), using and carrying a firearm during and in relation to a crime of violence. There is also probable cause to believe that the items described in **ATTACHMENT B** are located within 244 Garfield Avenue, Hyde Park, MA and constitute evidence of these crimes.

5. The facts stated herein are based on my own personal knowledge, as well as information provided to me by witnesses and other law enforcement involved in the investigation. In submitting this affidavit, however, I have not included each and every fact known to me about this investigation, but only the facts which I believe are sufficient to establish the requisite probable cause.

PROBABLE CAUSE

6. The facts in this affidavit come from my personal observations, my training and experience, and information obtained from other agents, officers, and witnesses. This affidavit is intended to show that there is probable cause for the requested warrants and does not set forth all

of my knowledge about this matter.

Investigation

7. The VCTF and local police departments are conducting a criminal investigation in connection with possible violations of, among other statutes, Title 18 U.S.C. § 1951(a) [Interference with Commerce by Robbery] and Title 18 U.S.C. § 924(c) [Use of Firearm during Commission of Crime of Violence]. Between May 2019 to November 2019, fifteen commercial armed robberies occurred at establishments around the Boston-metro area. The Suspect has been described as a male and appears to have worn a dark hooded outer-garment and a mask/bandana and carried a black and silver handgun. The Suspect in these robberies has the same build, and in each instance he issued a verbal demand for money.

GPS Cash-Pack Tracker

8. On September 27, 2019, the Quincy Police Department (QPD) provided the Five Corner's Market, 161 Newbury Ave., Quincy, MA a GPS cash-pack tracker received from the VCTF. VCTF provided the QPD the GPS cash-pack tracker based in part the number of armed robberies committed by the Suspect in Quincy during the course of the investigation. Five Corner's Market maintained the GPS cash-pack tracker in their cash register located within the store.
9. During the November 5, 2019 armed robbery at Five Corner's Market, an attendant provided the robber with the cash pack. At approximately 11:38 a.m., the VCTF began to receive notification that the GPS cash-pack tracker was mobile. The GPS

cash-pack tracker moved northbound on Newbury Ave, Quincy, MA, left onto Billings St., right onto Quincy Shore Drive [east], u-turn on Quincy Shore Drive at Bay State Road [west], over the Neponset Ave. Bridge into Dorchester, onto Rt. 93 North on-ramp and continued on Rt. 93 North. At approximately 11:45 a.m., the GPS cash-pack tracker provided its last signal in the vicinity of Rt. 93 North at the Savin Hill Avenue overpass.

10. Later that same day, the VCTF conducted a cursory search in the vicinity of Rt. 93 North at the Savin Hill Avenue overpass and recovered pieces believed to be of the GPS tracker maintained in the cash-pack. The recovered pieces were secured and entered into FBI evidence.

Video Surveillance Review

11. On November 5, 2019, video surveillance review from the Five Corner's Market (161 Newbury Ave, Quincy) revealed a grey four-door sedan pass the store southbound on Newbury Ave at approximately 11:15 a.m. and again northbound on Newbury Ave. at 11:27 a.m. Furthermore, video surveillance review from Lucky's Wine and Liquors, 66 Newbury Ave, revealed a grey four-door sedan pass the store at approximately 11:38 a.m. that same day. Furthermore, home video surveillance footage maintained at 47 Billings St. (which is a short distance from 161 Newbury Ave), revealed a grey four door sedan pass the residence at approximately 11:40 a.m. that same day. Furthermore, video surveillance footage from that same day maintained at 185 Quincy Shore Drive, a commercial apartment building a short distance from 161 Newbury Ave, revealed a grey four-door sedan eastbound on Quincy Shore Drive towards Bay State Rd. and a few seconds later westbound on Quincy Shore Drive towards Neponset Ave. Bridge.

12. Based on training and experience, in addition to visual comparisons of the vehicles, I believe the grey four-door sedan (the SUBJECT VEHICLE) viewed in video surveillance footage maintained at 161 Newbury Ave., 66 Newbury Ave., 47 Billings St., and 185 Quincy Shore Drive, to be the same vehicle. Furthermore, based on the SUBJECT VEHICLE's movement at the noted approximate times on November 5, 2019 compared against the cash tracker GPS coordinates, I believe that the cash tracker was located in the SUBJECT VEHICLE.
13. Video surveillance review from the Five Corner's Market of the SUBJECT VEHICLE revealed a partial Massachusetts (MA) registration. After local queries on the SUBJECT VEHICLE registration, it was determined to be a MA registration of 2MG242, a 2014 gray Honda Civic. MA 2MG242 is registered to MARIA ROSA DAMAS, DOB xx/xx/1958, residing at in Arlington, MA. Local records checks reveal that ASHLEY CRUZ, DOB xx/xx/1996, who resides at that same address in Arlington, MA is also a driver of SUBJECT VEHICLE.

Physical Surveillance

14. On November 6, 2019, the VCTF conducted a surveillance in the vicinity of a 919 Eastern Ave., Malden, MA, a known workplace location of CRUZ. The SUBJECT VEHICLE (*i.e.*, the vehicle bearing MA 2MG242) was located in the vicinity of 919 Eastern Ave., Malden, MA. At approximately 2 p.m., an Unidentified Female (UF), entered and drove the SUBJECT VEHICLE from the vicinity of 919 Eastern Ave., Malden, to the vicinity of 387 Lafayette St., Salem, MA. At approximately 3:15 p.m., The UF exited the vehicle and walked in the direction of Salem State College. At approximately 8:15 p.m., UF left from the direction of Salem State College, entered the SUBJECT VEHICLE, and drove

south towards Boston. At approximately 9:00 p.m., SUBJECT VEHICLE stopped in the vicinity of Garfield Avenue and Woodglen Road, Hyde Park, MA. An Unidentified Male (UM) approached the SUBJECT VEHICLE from the vicinity of the southeast corner of Woodglen Rd. and Garfield Ave and entered the driver side of the SUBJECT VEHICLE after the UF exited the SUBJECT VEHICLE and entered the passenger side door. The UM drove the SUBJECT VEHICLE to the vicinity of Legacy Place, Dedham, MA and parked on the first floor of a local parking garage. At approximately 9:15 p.m. the UM and UF were observed on foot entering and exiting the Sweetgreen restaurant at Legacy Place. Soon after, UM and UF returned to the SUBJECT vehicle; UF entered driver side and UM entered passenger side. UM was described as a black male, tall, thin, wearing a dark colored hoodie, dark colored pants, and dark colored sneakers. At approximately 9:50 p.m., Dedham Police conducted a car stop in the vicinity of Sprague Street and Hillsdale Street, Dedham, of the SUBJECT VEHICLE. During the car stop, the UF provided a Massachusetts Driver's License (DL) to Dedham Police which identified her as ASHLEY CRUZ, DOB xx/xx/1996. The UM verbally identified himself as BRANDON DAVIS and provided the DOB of xx/xx/1997. UM further stated he did not have a Massachusetts DL, only a Texas DL.

15. Records checks were negative for a "BRANDON DAVIS" and UM's provided DOB in both Texas and Massachusetts.
16. BERNACHI DISMOND, DOB xx/xx/1997 [same DOB as one provided by UM to Dedham Police], resides at 244 Garfield Ave., Hyde Park, which is very close to the location where the UM entered the SUBJECT VEHICLE at Garfield

Avenue and Woodglen Road, Hyde Park on November 6, 2019. The Dedham Police Officer who conducted the stop of the SUBJECT VEHICLE examined a Texas DL photo of DISMOND and identified him as the passenger of this vehicle (*i.e.*, the male who identified himself as “BRANDON DAVIS”).

17. On November 8, 2019, Boston Police Department (BPD) installed a pole camera in the vicinity of Woodglen Road and Garfield Ave. The pole camera faced the direction of 244 Garfield Ave.
18. On November 6, 10, 13, 15, 19, and 22, 2019 the VCTF and other local police departments including BPD and QPD conducted a physical surveillance in the vicinity of 244 Garfield Avenue. During physical surveillances of 244 Garfield Avenue, DISMOND was observed entering and exiting 244 Garfield Avenue with another Unidentified Male (UM2), described as black, approximately 6’5”, and thin. UM2 was taller and skinner than DISMOND. DISMOND and UM2 were often observed together getting into and out of vehicles. DISMOND and UM2 were also observed individually using telephones. Via the pole camera, UM2 was observed wearing black and red sneakers consistent with sneakers worn during multiple armed robberies described in paragraph 7(a-o.) BPD identified UM2 as DISMOND’s brother TYKEI HALLMAN, DOB xx/xx/1994.
19. I believe, based on my review of video/photos of HALLMAN and my review of surveillance footage of the robberies discussed above, that HALLMAN committed these robberies. HALLMAN closely resembles the perpetrator who appears in the surveillance footage.

Target Mobile Phones

20. The following is a summary of how each of the Target Mobile Phones was identified and why it is believed to be associated with the corresponding Suspects:

- a. Records provided by CRUZ's employer listed CRUZ's telephone number as 781-971-6863 (x6863); the carrier of which is T-Mobile. On November 25, 2019, T Mobile provided records to include historical call data for telephone number x6863. Call data analysis for x6863 on November 5, 2019 (when the SUBJECT VEHICLE was used in an armed robbery) and on November 6, 2019 (in or around the time CRUZ picked up DISMOND) revealed x6863 in contact with 617-291-0670 ("**Target Device 2.**") Further records checks of **Target Device 2** yielded DISMOND's Snapchat account with username bernachi_dism19.
- b. On September 10, 2019, BPD arrested HALLMAN in the vicinity of 244 Garfield Avenue on default warrants out of Fitchburg District Court to include charges of resisting arrest and providing false ID. During booking, HALLMAN provided his telephone number as "617-784-9050" (**Target Device 1**) and an address of 244 Garfield Avenue, Hyde Park, MA. In addition at the time of arrest, BPD described HALLMAN as being approximately 6'6" tall and took photos of HALLMAN's tattoos to include a tattoo on the inside of HALLMAN's right forearm/wrist described as "LongLiveDiamond." Records checks reveal that the **Target Device 1** is registered to address 244 Garfield Avenue, Hyde Park, MA and historical user Tykei D Hallman.
- c. On November 21, 2019 at approximately 2 p.m., the VCTF observed a food delivery from Cappy's Pizzeria, located at 672 Truman Parkway,

Hyde Park, MA, to 244 Garfield Avenue. An individual believed to be HALLMAN accepted delivery at 244 Garfield Avenue. Follow on investigation with Cappy's Pizzeria revealed the food order had been placed from **Target Device 1**. Further investigation revealed that **Target Device 1** was used numerous times over the previous two years for delivery orders to 244 Garfield Avenue.
